REPLICA TIMBER PLANKS THAT OFFER THE STUNNING VISUAL EFFECT OF A BEAUTIFUL NATURAL OAK FLOOR

A VERSATILE, HARD-WEARING TIMBER LOOK PRODUCT THAT CAN BE INSTALLED OVER VIRTUALLY ANY FLAT, DRY SUBSTRATE INCLUDING IN WET AREAS SUCH AS BATHROOMS AND KITCHENS

Impressionist

Replica Timber Plank Flooring

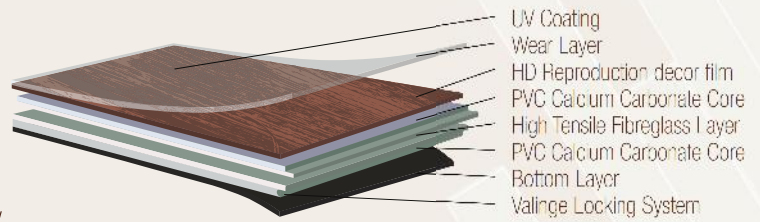

Impressionist is a Replica Timber Plank that utilises the latest technology to produce the stunning visual effect of a beautiful natural hardwood floor.

This unique timber look product uses photo-realism images to produce a high definition reproduction of classic hardwoods, which is available in 8 modern colour tones.

Impressionist can be installed over virtually any flat, dry substrate including in wet areas such as bathrooms and kitchens. Its natural timber texture not only creates an emotive connection to the floor, but adds a practical non-slip surface that is quite underfoot.

Its carefully constructed design incorporates the Välinge patented licensed click system for a quick and easy glueless installation. It can be installed over virtually any flat, dry substrate including in wet areas such as bathrooms and kitchens. Its natural timber texture not only creates an emotive connection to the floor, but adds a practical non-slip surface that is quite underfoot.

For a practical, hard wearing & economical flooring solution suitable for most applications, Impressionist Replica Timber Plank is a superb choice and is great for DIY installations as it's easy to install and creates minimal mess.
